```
document.addEventListener("DOMContentLoaded", () => {
  const toggle = document.querySelector(".menu-toggle");
  const links = document.querySelector(".nav-links");
  if (toggle && links) {
    toggle.addEventListener("click", () => {
      const open = links.classList.toggle("is-open");
      toggle.setAttribute("aria-expanded", String(open));
      toggle.textContent = open ? "×" : "■";
    });
    links.querySelectorAll("a").forEach(link => link.addEventListener("click", () => {
      links.classList.remove("is-open");
      toggle.setAttribute("aria-expanded", "false");
      toggle.textContent = "■";
    }));
  }
  document.querySelectorAll("[data-service]").forEach(link => {
    link.addEventListener("click", () => {
      const select = document.querySelector('select[name="service"]');
      if (select) select.value = link.dataset.service;
    });
  });
  const dateInput = document.querySelector('input[name="preferred_date"]');
  if (dateInput) {
    const today = new Date();
    const localDate = new Date(today.getTime() - today.getTimezoneOffset() * 60000).toISOString().slice(
0, 10);
    dateInput.min = localDate;
  }
});
```
